Station	Description	Learning Targets
Meet Your Team	In a fun and creative way, we break the larger group into working teams. Smaller work groups help to facilitate the learning process as well as ensure involvement, networking and interactivity.	Networking Creativity Professional Introduction
Creative Thinking Challenges	Brain-teasers, puzzles, enigmas? Tackling unusual and challenging problems is something every leader needs to deal with. Creating Thinking Challenges is a crash course in creative problem solving and time management.	Problem Solving Creativity Test Prep
Etiquette Experts	Which fork do you use? Can I wear this to work? Is my handshake too hard? The details of business etiquette needn't be intimidating. This session teaches the latest trends and guidelines for professional behavior interactions, and appearance	Professionalism
Speak Up!	This public speaking session focuses on the development of a presentation, the technical tools a speaker can use, and give participants an opportunity to practice and perfect their new skills.	Presentation Skills Stage Presence Speech Preparation
Market Madness	In the fast-paced world of the stock market, some lose and some win big! This activity focuses on synergy and trust. We talk about individual responsibilities each member has to the overall success of a team, and how this plays an important role in any organization's success.	Trust Individual Responsibility Teamwork Ethics
